Is rulebook ko kaise use karein

Rulebook ke teen hisse hain: **(A)** sab platforms par lagne wale rules aur kanoon, **(B)** har platform ke apne rules + technical size, **(C)** brand aur audience rules. Aakhri page ka **Pre-publish checklist** har post par tick karna hai.

Level	Matlab	Kya hota hai agar toda
MUST NOT	Platform ya kanoon mana karta hai	Post hatayi ja sakti hai, account restrict, ya legal notice
AVOID	Allowed hai par reach kam hoti hai / brand ke khilaf hai	Post non-followers ko recommend nahi hoti
DO	Best practice	Better reach, trust aur consistency

OFFICIAL = platform/kanoon ke official page se. VERIFY = sirf press/practitioner source se mila, ya badal raha hai. Aise points ko har quarter dobara check karein.

Teen golden rules

- **Sach aur saboot:** jo daava (claim) post mein hai, uska proof hamare paas file mein ho.
- **Apna original content:** apni graphic, apni voice, apna likha hua — copy, repost ya doosre ka watermark nahi.
- **Approval ke bina kuch publish nahi:** Founder ka "OK" milne ke baad hi schedule.

A1

Sach, claims aur offers (ASCI + Consumer Protection)

Rule	Level	Hamare liye matlab
Har factual claim ka proof ho ASCI Ch. I	MUST	"No.1 agency", "3x leads", "100+ clients", "Google partner" — sirf tab jab saboot (data, certificate) file mein ho. Warna mat likhein.
"Free" sirf tab jab sach mein free ho	MUST	Hidden charge, compulsory paid add-on ho to "free" nahi. "Free Google Profile Check" jaisa offer tabhi jab Founder ne confirm kiya ho.
Misleading by omission nahi	MUST	Price likhein to poora price (koi chhupa charge nahi). Shart (terms) post ya link par saaf ho.
Dark patterns nahi CCPA 2023	MUST NOT	Nakli urgency ("sirf 2 slot bache" jab sach na ho), nakli countdown, bait-and-switch, drip pricing, "x% off" bina asli original price ke.
Comparison factual ho ASCI Ch. IV	MUST	Kisi competitor ka naam lekar neecha dikhana nahi. Generic comparison ("DIY vs professional") theek.
Testimonials asli hon	MUST	Sirf asli client ke shabd, unki likhit permission ke saath. Edit karke matlab na badlein. Before/after asli, bina photo-editing, time period ke saath.
Paid/collab post par label	MUST	Agar kisi se paise/gift lekar post karein: caption ki shuruaat mein "Ad", "Sponsored" ya "Collaboration" + Meta ka Paid Partnership tool. Sirf tool kaafi nahi.
Health / finance advice	AVOID	Client ke liye bhi "guaranteed income", "miracle result" jaise daave nahi. Ye reach bhi kaat-te hain.

A 2

Originality, AI aur copyright

Rule	Level	Hamare liye matlab
Original content Meta	AVOID copies	Doosre ka Reel/photo repost, ya sirf border/crop/caption badal kar daalna "unoriginal" maana jaata hai — recommend nahi hota. 30 din mein 10+ repost se account ki reach girti hai. Apni graphic + apni voice = original.
Doosre app ka watermark	AVOID	CapCut/TikTok/Canva free watermark wala video upload nahi. Export bina watermark ke.
AI label Meta + IT Rules 2026	MUST	Realistic AI video, AI chehra ya **AI voice** ho to post karte waqt "AI info / Add AI label" ON karein. Hamari Gemini voiceover wali Reels par label lagana hai. Flat graphics (code se bani) par zarurat nahi.
Music license Meta Music Guidelines	MUST	Business account par trending Bollywood gaana risky — mute ya remove ho sakta hai, baar-baar hone par account band. Meta Sound Collection, licensed track ya apni original audio use karein.
Images aur fonts	MUST	Google/Pinterest se uthayi image nahi. Stock image ka license save karein. Fonts: Poppins + Mukta (free, Google Fonts).
Celebrity / logo	MUST NOT	Celebrity ki photo, naam, AI se banayi awaaz nahi (personality rights). Google/Meta ke logo ya "Partner" badge tabhi jab sach mein certified hon.

A 3

Client data, privacy aur consent (DPDP Act 2023)

- Client ki website/dashboard ka screenshot, logo ya naam — **pehle likhit (WhatsApp/email) permission** lein aur save karein.
- Screenshot mein customer ke naam, phone, email, order details — **blur karein**. WhatsApp chat/review ka screenshot bhi blur karke.
- Kisi insaan ka chehra post mein ho to uski permission. Bachchon ki photo sirf parent ki permission se.
- Consent ka record ek folder/sheet mein rakhein (kisne, kab, kis cheez ki permission di).

Kyun zaroori

DPDP Rules Nov 2025 mein notify hue; consent wale niyam lagbhag May 2027 tak poori tarah lagu honge, penalty ₹250 crore tak. Aadat abhi se banayein. VERIFY dates

A 4

Tyohaar, dharm aur rashtriya pratik

MUST NOT

- National flag, Ashoka emblem, Gandhi ji / PM ki photo ya naam ka commercial use (Emblems Act 1950, State Emblem Act 2005, Flag Code).
- Flag par kuch print karna ya use offer banner banana.
- Devi-devta ki image par logo, price, discount.
- Dharm, jaati, gender par mazaak (ASCI Ch. III, BNS s.196/299, Meta hate policy).
- Political ya social mudde par tippani (GBP par ban, Meta par reach kam).

DO

- 15 Aug / 26 Jan: sirf tiranga colours aur abstract shapes (patang, lines) — asli flag/emblem nahi.
- Tyohaar se pehle useful tip post, tyohaar ke din sirf shubhkamna (bina offer).
- Motif chhota rakhein (canvas ka 30% se kam), brand colours base rahein.
- Sab dharmon ke tyohaar ek jaisi izzat ke saath; regional tyohaar (Pongal, Onam, Bihu, Chhath) bhi — all-India audience.

A 5

Engagement, contests aur spam

Rule	Level	Hamare liye matlab
Engagement bait Meta	AVOID	"Comment YES", "Tag 3 friends", "Share karo tabhi milega" — reach girti hai. Theek hai: "Save karein", "Apna sawaal comment mein likhein".
Contest / giveaway FB Pages Terms	MUST	Entry ke liye share/tag/repost compulsory nahi kar sakte. Official rules, Meta ko liability se mukt karne wali line, aur "Meta is contest ko sponsor nahi karta" likhna zaroori. Contest se pehle Founder se poochhein.
Clickbait	AVOID	Headline jo post mein na mile ("Ye trick aapki life badal degi"). Hamare hooks sawaal/samasya wale, sach wale.
Same post baar-baar	MUST NOT	GBP par same content dohrana spam hai; Meta par bhi reach girti hai. Har post naya angle.

B 1

Instagram

Content rules

- Reach ke liye: original, Hindi/Hinglish, value wala content. Non-followers ko recommend **nahi** hota: engagement bait, reposts, watermark, exaggerated health/finance claims, political content Instagram Recommendations.
- Caption mein link clickable nahi — "Link bio mein" ya Story link sticker.
- Text-on-image ka koi organic limit nahi (20% rule sirf purane ads ke liye tha), par hamara brand rule: kam aur bada text.

Technical specs

Cheez	Spec	Note
Feed post	1080 × 1350 (4:5)	Grid 3:4 dikhata hai — headline upar ke hisse mein. 1080 × 1440 bhi chalta hai.
Carousel	App mein 20 tak; Buffer/API se 10 tak	Sab slides same size
Reel / Story	1080 × 1920 (9:16), Reel 3 min tak	Upar ~250px, neeche ~340px mein text nahi (buttons)
Caption	~2,200 characters VERIFY	Hook pehle 125 characters mein
Hashtags	**Max 5** VERIFY rollout	Instagram ne 30 se 5 ki limit (Dec 2025) shuru ki. Hum hamesha 3–5 use karte hain.
Alt text	Supported	Har image par likhein (Buffer se auto jaata hai)
AI label	Post settings → AI info	AI voice/video wali Reel par ON

B 2

Facebook Page

- Page ka naam asli ho, verification ka jhootha sanket nahi.
- Link clickable hai — website link caption mein de sakte hain, par clickbait link ki reach girti hai.
- Demote hota hai: engagement bait, clickbait, borderline content, doosre ka content repost **Meta demotion list, Jul 2025**.
- Jun 2025 se upload kiye videos Reels ki tarah treat hote hain.
- Hashtags: 0–2 kaafi. Local/community touch chalta hai.

Cheez	Spec
Image	1200 × 1200 ya 1080 × 1350
Video / Reel	9:16, 1080 × 1920
Text	Bahut lamba allowed (~63k), par 3–6 line best
Alt text	Supported
First comment (Buffer)	Free plan mein nahi — sab caption mein

B 3

Post reject / remove hone ke kaaran

- Post text mein **phone number** — "Call now" button use karein **GBP posts policy**.

Post kitne din	Update 6 mahine baad archive; Offer/Event end date par khatam. (Purana "7 din" rule ab nahi.)
Profile ka naam	Asli naam hi: "FutureTech Digital Marketing Agency" — keyword/tagline jodna mana.
Q&A	Hata diya gaya (2025). Google ka AI posts aur profile se jawab banata hai — posts factual rakhein.

All-India audience aur GBP

GBP profile location (Sagar) se juda hai aur zyada tar paas ke search mein dikhta hai. Isliye GBP par: hamari services ke updates, tips, offers — local ho to "Sagar" likh sakte hain. Poore India wala message Instagram/Facebook par.
